CO-CREATING WITH THE DIVINE: DOWNLOADABLE TEACHING VIDEO

LETTING GO OF THE “RULES”

What to do when your Manifestation Process is not working. We have been taught that it is our personal responsibility as Creators of our reality that whatever is within you appears without. This is true to a great extent. BUT, we are co-creators in this universal quantum soup. We co-create with others, within relationship, through collective consensus and with the Divinity within us. Our Soul KNOWS the way!

This session looks at releasing self-blame and activating Grace, Divine Intervention and Divine Dispensation in our lives. These frequencies allow us to access deeper connection with our Over Soul and our guidance and with the divinity within.

Yes we can connect with Ascended masters and Council of Light etc. But we are now being called to Mastery of our own Soul and connection with the Highest parts of ourselves. This is about Self Empowerment! Acceptance of Self and our perfect imperfections.

Your Over Soul is experiencing the 3D within and through you, and your Over Soul wishes the BEST for YOU! This is about trusting yourself, and trusting your connection with the Divine. ALL IS DIVINE!

ASCENSION SYMPTOMS YOU ARE DOING IT!

Guides you through the Ascension process and the symptoms that are occurring for many Light Bearers as we move through the higher frequencies and EMBODY THE LIGHT! In depth talk about what is being experienced as we transverse through this Shift of the Ages. Enlightening and putting things in perspective. YOU ARE NEEDED NOW at this time!

“I feel truly blessed and grateful to have worked with Sandra. Her Quantum Transformation program has provided the much needed insight and knowledge I have long been searching for on my path of self-discovery. Her loving and caring nature will help you discover your heart and soul and the many ways to help your soul soar. If you are searching for a direction or an answer to a life question you will not want to miss an opportunity to work with Sandra. You too will be truly blessed!” Cathy (USA)

“You are an earth angel. What a blessing you are. Your assessment was so startlingly accurate, it made me smile from ear to ear to be acknowledged in that way. Thank you, I am a healer and I do ancestral clearings, and when people come around me, their issues come up to be cleared. I am working on not taking on their energy emphatically. The open auric portals ring very true for me, and that had not occurred to me. I will do exactly as you recommend.” Alex (USA)

“I purchased the package for Sandra St. Yves and scheduled my one-on-one session. About 3 days before the session I started having so much anxiety and resistance and excuses not to do it that I wanted to cancel and not go through with the healing session. I am so happy I didn't cancel and kept my appointment. This was the best healing session experience I have ever had in my life!!! I brought a full bag of "old unresolved junk" to the session and Sandra didn't just take care of one thing that bothered me, she took care of ALL the junk that I had inside in that short period of time. Sandra is just so wonderful, kind, knowledgeable, very intuitive and loving! She made me feel so good, was spot on accurate on so many issues up to the detail with exact ages and situations that occurred. I felt amazing after the session! I loved it! Thank you, thank you, thank you Sandra for all your love and assistance!! Thank you,” Angela (USA)
